

# Application for Financial Assistance

2020 Fiscal Year

The Ohio Land Bank Association (OLBA) is a 501(c)(6) nonprofit organization that supports the work of, and advocates on behalf of, all county land reutilization corporations, commonly known as land banks, across Ohio. With 56 of Ohio's 88 counties having land banks, a clear need has emerged for a statewide association to provide a collective, unified voice.

All county land reutilization corporations (land banks) incorporated within the state of Ohio are eligible to become members of OLBA. Annual dues are based on the land bank's DTAC allocation. If the dues structure is preventing your land bank from joining the OLBA, please complete the form below to be considered for financial assistance.
