## 2020 Fiscal Year

The Ohio Land Bank Association (OLBA) is a 501(c)(6) nonprofit organization, with the purpose of supporting the work of and advocating on behalf of all county land reutilization corporations, commonly known as land banks, across Ohio. With 56 of Ohio's 88 counties having land banks, a clear need has emerged for a statewide association to provide a collective, unified voice.

The OLBA meets annually during the Ohio Land Bank Conference. The 2019 annual meeting was held on Thursday, September 19, 2019 at the Ohio Land Bank Conference in Cincinnati. Four (4) additional members were elected to the OLBA Board at that meeting.

All county land reutilization corporations (land banks) incorporated within the state of Ohio are eligible to become members of OLBA. Annual dues are based on the land bank's DTAC allocation. Scholarships are available for land banks requiring financial assistance to join the Association. A **separate form** is available to apply for a scholarship.
